## “Ten Commandments” for 4-H Parents

The following “Ten Commandments” can guide parents when it comes to teaching their youngsters about raising and showing animals.

- 1) Thou shalt not feed, train and care for the animal, for thou art trying to teach the child responsibility.
- 2) Thou shalt forgive a child for making mistakes in the show ring, for thou hath made mistakes too.
- 3) Thou shalt not get mad when thy child forgets items in the showbox, for one day thou may forget the showbox.
- 4) Thou shalt help the show management, for they are doing a job that thou would not want to do.
- 5) Thou shalt see that thy child is on time for all show activities, for thou would not want to wait on another.
- 6) Thou shalt be sure that thy child has the animals entered and the registration papers in order by the designated time.
- 7) Thou shalt teach the child that winning a blue ribbon is a desirable goal, but making friends along the way is a more worthy goal.
- 8) Thou shalt not complain about the judge, for it is his opinion that has been sought.
- 9) Thou shalt remember that livestock projects are teaching projects, not necessarily money-making projects.
- 10) Thou shalt remember that the livestock project is a family project that shall be enjoyed and supported by the entire family.
